### Message from the Relieving Principal

#### Zone Athletics

Congratulations to all the competitors who participated in the Zone Athletics in Lismore last Friday. Congratulations to Aiden, April, Estelle, Holly, Kayla, Ayla and Sharni who represented our school so well and displayed great sportsmanship.

Our PP6 Relay team came 4th in the Final in a time of 1:02:97. Our Senior Girls Relay team ran extremely well in their heat. Holly Walters did a P.B. in Long Jump at 3.18m, Kayla Matthews a P.B. in Shot Put at 5.75m and Ayla Hausen a P.B. in Discus at 11.13m. A wonderful effort!

#### School Photos

Our school photos will be taken next Thursday 30th August. Students are to wear full school uniform on the day. Students are to return the photo envelope ON or BEFORE the day.

#### Care Connection Visit

On Wednesday 29th August the Care Connection Group will be visiting our school. Our students will perform for the seniors and will help serve morning tea. ***Could each family please supply a plate of food for the students to share with the seniors.*** (Please do not include peanuts or coconut in any cooking.)

If parents or community members would like to come and visit with the students and the seniors we will be performing for the seniors at about 10am followed by the morning tea. All are most welcome.

#### Head Lice

Please take the time this weekend to check your child's hair for headlice as there has been reports of headlice in the community.

#### COLOURSS Art Exhibition

Take the opportunity while in town to visit this wonderful exhibition.

#### \$RC Report

Thank you to Darcy for putting up the new soccer nets that we bought with the money that we raised from tuckshop. Now we can play soccer with new nets. Thank you also to the students for raising the money. Thank you again to Darcy.

## PLASTIC

As a senior class project we have been investigating how we use plastic in our lives. The question is if we had a new planet would we introduce plastic? Well, that's what the senior class has been working on. We've been finding items that have no plastic in or on them and we're also going to have fun with plastic by doing some fun experiments.
