Message From the Principal

Welcome back, I trust you all had a refreshing and enjoyable break. It is always exciting to see our students back, happy and healthy, and hear them recounting their holiday adventures.

Rukenvale staff spent the first 2 days of term exploring in depth the new English Syllabus and its implications for our school, alongside our colleagues from the other COLOURSS Schools. It is a very complex document with many things the same (some re-named) as well as some new additions. This Syllabus will be gradually implemented throughout 2013 and 2014. The key objectives of this new Syllabus are: "through responding to and composing a wide range of texts and through the close study of texts students will develop knowledge, understanding and skills in order to:-

- ◆ Communicate through speaking , listening, reading , writing, viewing and representing
- ◆ Use language to shape and make meaning according to purpose, audience and context
- ◆ Think in ways that are creative, imaginative, interpretive and critical
- ◆ Express themselves and their relationships with others and their world
- ◆ Learn and reflect on their learning through their study of English." English Syllabus 2012

Cross Country

As you are aware, our Cross country will be held tomorrow at The Risk Public School. Thank you for your prompt return of permission slips.

We recommend that students arrive by 9.50am to collect their name card and prepare for the day. Students will 'walk the track' at **10.00am**. This will be followed by the 5-7 years race, then the 8/9 year olds, the 10 years, then the 11's, concluding with the 12/13

years. It is hoped that we will finish all the events by 2.00pm. Footwear must be worn by all competitors (no spiked running shoes or studded shoes). You may carry a drink bottle with you. It is important that asthmatics carry their puffer with them.

A canteen will be provided by The Risk PS P&C for students and spectators to purchase a variety of food and drinks.

ANZAC DAY

Thank you to Ms Sawford, Holly, Eli, Shakira, Ayla and Oliver who all marched in the Kyogle ANZAC March. It is wonderful to see our students involved, paying their respects to those who have served our country.

A reminder that the school's **2102 Annual School Report** is available online on our school website. If you would like a hard copy, they are available at the office.

There will be some small gradual changes to classroom organization as the year progresses due to enrolments.
