Message From the Principal

Rukenvale Public School featured in **The Northern Star** newspaper today in an article about fundraising for our Year 5/6

Canberra trip. In addition to the P&C BBQ this weekend, students have also been writing letters to businesses requesting support either in the form of items to raffle, vouchers or maybe even cash.

Thankyou to those who have been making regular payments toward this excursion.

Thank you also to our parents who have offered their time to help out at the **IGA BBQ on Sunday**. It should be a very successful day!

NAPLAN

Students in years 3 and 5 sat the NAPLAN tests this week. All agreed that there were some tricky questions especially in the Maths. Results of these tests should be available late in Term 3. Well done!

Lantern Making

As mentioned last week, Years 3 and 4 will travel to Collins Creek PS with Ms Sawford for Lantern Making on Monday 27th May, leading up to the Lantern Parade in Lismore. A permission slip is attached to this newsletter.

Rukenvale Wins Scholastic Prize

All students were involved in a Scholastic competition as part of our library session at the end of Term 1 which involved various activities for different stage levels. Our students completed and sent away these entries. **xxxxxxxxxx** was the winner for the Wombat Competition and part of her prize included a book for each student at the school and a copy for the library plus a \$50 voucher for our library to spend on **Scholastic Books**. Congratulations xxxxxxxx who has won a book voucher for herself. Students had the opportunity to choose their book today. Well done students !!

Weekly Awards ★

Congratulations to the following students

SCHOLASTIC

I recommend this book for the age group from 11-15 years and a person who likes human interest stories would enjoy this book also.

Thanks for your support, Narelle

Kiarna's smile brightens up our

A young girl with brown hair and bangs is smiling and holding a diorama. The diorama is a rectangular box with a black interior, decorated with a green landscape, a small white house, a green frog, and a yellow butterfly. The box is placed on a green base. In the background, a yellow banner with the text "CONVALENT SCHOOL" is visible.

Students also designed and made (from recycled materials) ‘rainhats’ that allow the water to flow off the back . This was an optional Homework activity.
