Message From the Principal

Our year is off to a great start with students engaging positively in a variety of learning activities, and new friendships being built with our two new students Ruby and Robert. We are very proud of the way in which our students make everyone feel so welcome and play and work so well together.

We are looking forward to our COLOURSS **Swimming Carnival** tomorrow. We hope you are able to join us. There will be a few activities for the junior students and non swimmers throughout the day. Don't forget your hat, sunscreen and a water bottle to keep hydrated!

Specialist Sports Coaching

On Tuesday we had a visit from the **NRL** who gave our students some great tips to build their skills, not only for football, but skills that can be applied to many sports. There were smiles all round, with Milo and Kel complementing us on how well our students

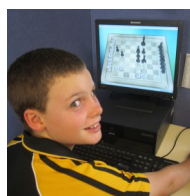

play, cooperate and encourage each other. Students will enjoy another two sessions of coaching later this term.

Early Bus Students

Our early/late bus students are enjoying playing a variety of quiet indoor games each afternoon. Next week we will make some **toast** available to these students as it's a long time from breakfast to Crunch'n'Sip for our long distance travellers.

African Drumming

Our first combined Cultural event for 2014 is a performance of African Drumming at Wiangaree hall on Friday 21st February during the morning. Cost to students will be \$9.90 each. Some student assistance is available if required. **Transport will be by staff vehicles.** Please complete the permission slip attached. And return with money as soon as possible.

Hope to see you at the Welcome BBQ next Wednesday night!
