### Message From the Principal

On Monday this week our Senior class students participated in the **T20 Cricket Challenge** in Casino. There were 16 simultaneous games of cricket being played with representatives of T20 Cricket and some 'cricket greats' giving valuable tips and advice to the students as they played. All rounder, Greg Matthews joined the COLOURSS senior girls team and happily autographed several banners for us. I was immensely proud of the manner in which our students played their games and for the sportsmanship they displayed. Well done!

On Wednesday our school relay team competed in the **North Coast PSSA Swimming Championships** in Lismore where they placed 4th in their event. A great effort by the team.

### Social

Our **COLOURSS Social** is just over a week away. Students have been enjoying refreshing their dancing skills in preparation. Just a reminder that our P&C are catering. Thank you to our parents who have already volunteered to cook and help out on the night.

### P&C

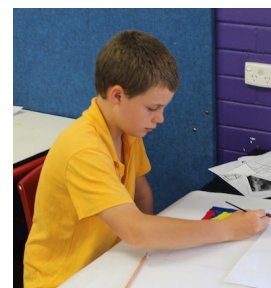

Next Wednesday evening is our P&C meeting in the Library at 6.00pm. We hope to see you there.

### KEEP

This year we have three students involved in KEEP. This is a great enrichment program provided to further enhance learning experiences and challenge our students.
