Message From the Relieving Principal

Greetings,

What a fantastic week. We have had wonderful weather and a lovely week. Our two boys had a challenging experience at the cross country where they did their best on a difficult track.

They both enjoyed their experience immensely. Thank you to parents for supporting your children in their endeavours.

On Tuesday we had a spectacular day at the Laurels Nursery, at Old Grevillia. We were given a tour of the nursery with everything explained in detail by our hosts, Veronica and Stuart Graham. It is a terrific set up in a beautiful location, with our morning tea provided. This was followed by a lunch picnic at Moore Park where we ate our lunch and the children played. Then on to The Risk school for athletics training with Mr Condon

The children were ALL wonderfully behaved all day which made for a pleasant day all round. So a big thank you to Mrs Jones for her organisation and Veronica and Stuart for being generous of their time, patience and hospitality.

I have been on 2 training courses this week both regarding the New Curriculum. One around the Disabilities framework and collecting Data.

I am including a letter which only needs to be returned if you do not wish data to be collected on your child. Even though data is collected children are not named in the process. Please read the letter before deciding. Data will be collected from EVERY SCHOOL in AUSTRALIA state and private.
