Message From the Relieving Principal

Dear Parents

This week we had three excited Year 6 boys head off to the COLOURSS camp at Collins Creek School.

Many interesting activities were planned for the two days including -

- cupcake sculpture
- Yoga & relaxation
- Thinkers Keys
- Soft hockey
- High School talk
- KHS Peer Support led Team building games
- M u s i c workshop

and we have already had a photo sent to us.

I went last night to assist with the overnight supervision and was impressed with the overall organisation. Mr McCartney from The Risk was in charge of the evening's games which the children enjoyed immensely. He taught me a couple of new ones.

This week I also had a visit from Amy Roche of Live Life Well at school - an organisation which encourages schools to promote healthy living through diet and physical activity.

As part of our school's program I have applied for some funding for fruit trees which we can plant in our grounds.

Next Friday is our **Athletics Carnival** at Kyogle. Children have been in training all term really with our two trips to The Risk and Graydon and Chelsea's visits they have been getting plenty of practice. Permission note and program are attached. Also attached are raffle tickets - money raised helps purchase trophies and ribbons for our Athletic Carnival. Wiangaree Public School will be running the canteen on the day.

On Wednesday of next week we have a P & C meeting and our raffle for the lovely Magnolia tree will be drawn so please remember to return tickets by then.

Currently Anne, Ms Jones and some senior students and I are working on 'The Achiever'. Linda and I are completing reports which should be ready by the end of next week. Please ask for an interview if there is anything you wish to discuss regarding your child's report.

Anne Goss

Friday 20th June: Athletics Carnival

Friday 27th June: Last day Term 2

Tuesday 15th July: First day Term 3

Friday 25th July: District Athletics

Wednesday 6th August: School Photos

Kids love rewards

Praise healthy habits. This may be snacking on fruit, drinking water and being active. Use treats like stickers, special games and outings, hugs and praise. Avoid using food as a reward.

Environmentally friendly snack foods Choose an apple, mandarin, orange, pear, banana, plum, mangoes, pieces of melons, nectarines, peaches or other fresh seasonal fruit for a quick, easy, environmentally-friendly snack. No packaging, full of nutrients and antioxidants, plus it tastes delicious!

Star of the Week Marley Graham

• Marley does the 'Let's Get Along Chart'

• He is safe in the playground and Marley plays fair in soccer

• He loves doing art and has done some detailed drawing in his CWA Botswana project

• Marley enjoys doing the Premier's Sporting and Reading Challenges

• Marley's smile brightens up our world
