Message From the Relieving Principal

Dear Parents

Well, after all our training and practise the athletics carnival is finally upon us. Let's hope for a better day than today. The children are very well prepared and even if they don't win they should be competitive as they are brimming with confidence.

The Live Life Well submission which Kathy Johnston applied for has been finalised with a slightly changed focus. We have applied for some fruit trees to complement our Crunch and Sip program which is part of Live Life Well at School.

We would also like to do a cooking/food preparation program with produce from the vegetable garden.

Next term we would like to start interest groups again so if you have a skill to share and some time to spare please let us know.

Reports will go home on Monday and interviews are available Tuesday if you wish.

Next Friday, 27th June, is the last day of Term 2 and we would like you to join us for a barbecue/picnic lunch.

Anne Goss
Relieving Principal

Athletics Carnival

The children need to be at the High School oval by 9am. Please ensure they have a hat, water bottle and shoes must be worn. This is a primary school event, high school students should not attend or be present. Parking is limited. Cars will not be allowed to park in the high school oval area as it is dangerous for both competitors and young spectators. Please take care not to park in local residences driveways.

P & C NEWS

Thank you to the parents who attended the meeting on Wednesday evening. Our street stall and raffle raised \$467, thank you to all who helped with this fundraiser. The Magnolia tree was won by Sandra Byrne.
