YOGA

Congratulations to our Year 3 and 5 students who completed the National Assessment in Literacy and Numeracy in week 4. By all accounts students were happy with their performance. The results of these assessments will not be available until the end of Term 3 or early Term 4.

The results from the National Assessment Program will be used for:

- *Individual student reports to parents
- *School reporting to their communities
- *Information for annual school reports
- *Information for the My School website
- *Collective reporting against national standards

School Reports

National Sorry Day

children who were taken from their families, now known as the Stolen Generation. The main message in National Sorry Day is the importance of remembering the past, to ensure we don't make the same mistakes in the future. By learning from each other, together we can make a great future for all Australians.

On Wednesday I attended a network day at Barkers Vale PS with teachers 3-6 to discuss curriculum and pedagogy. These days are always valuable and provide opportunities for each school to share ideas and learn from guest speakers as well as experience from within our Network.

Choir

This Sunday is the performance of the Semitones at the Memorial Hall in Kyogle. Can all students participating please wear their school uniform and arrive at 2.15pm for a rehearsal.

Weekly Awards!

★ Congratulations to the following
★ students this week:-
★

- ★ **Harley Hannon** for becoming more independent and always attempting all tasks.
- ★ **Oliver Hausen** for his leadership qualities and general helpfulness around the school.

Monday's Award winners

P & C NEWS

A big thank you to all parents, teachers, students and families who joined us on Saturday at the school working bee. We accomplished many jobs including relocating and planting of grass, bark chipping gardens, filling in holes on our running field and many other tasks. Our school is looking more beautiful because of this collaborative effort.

Jackets: Thank you to parents who have returned notes. We want to submit the order by next Friday. Orders and money need to be back at the school no later than Thursday.

Street stall: Goods for the street stall can be left at school on Thursday or Friday morning before 8.30am. Baked goods, preserves, etc. and helpers are needed. The ingredients used in your baked goods needs to be displayed.

Honey Joys by Ruby Stafford

Yesterday Harley, Kiarna and I made some Honey Joys. They had butter and 4 cups of corn flakes and sugar and honey. They were yummy.

Term 2 Dates

Thursday 4th, 11th & 18th June-

Friday 5th June - Mobile Library

Friday 5th June -Kyogle Street Stall

Monday 8th June - Public Holiday

Friday 19th June -Athletics Carnival

Friday 26th June - Tuckshop & SRC

Mufti Day (LAST DAY OF T2)

KEEP by Oliver Hausen

On Wednesday I went to the Harwood Sugar mill at Broadwater with other KEEP students. At the sugar mill scientists are trying to invent something to replace fossil fuels which will eventually run out. The company builds everything used at the mill themselves. They have one of the biggest glass structures in the world. If it was built any bigger the glass would not be able to hold its weight and collapse.

They gave us a plastic molecule set and I have been building some of the elements such as ethanol and H₂O with these. It was an informative day.
