From the Principal

The term has been a productive and positive one and I am very proud of all the students here at Rukenvale Public School for the way they apply themselves in the classroom each day and cooperatively play on the playground together. It has been a great semester and I have thoroughly enjoyed the first six months here at Rukenvale and I would like to thank the staff, parents, community and students for your dedication to Rukenvale PS and I look forward to continuing to work with you.

SPORTS JACKETS

These will be ready for the beginning of term 3 and I know many of the students are looking forward to wearing them next term.

ATHLETICS CARNIVAL

The sun shone and the grounds quickly dried for all the students to enjoy an action packed day. All students showed determination and perseverance which are fine characteristics. I was again very proud of the way our students represented our school. Congratulations to all the students and I wish you all luck in the COLOURSS district carnival on Friday, 24th July. This carnival will be held at the same oval and the students will continue training until this time.

BFG

Yesterday the students enjoyed the BFG movie to conclude the term's work on the text. I know all the students enjoyed the special popcorn treat that Ms Sawford had for them. Thank you Ms Sawford!

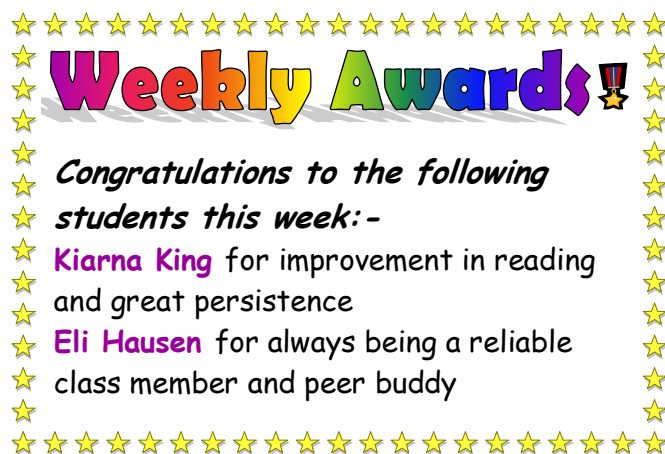

WINTER WONDERLAND AT WIANGAREE

We all had a fabulous day enjoying many activities at Wiangaree school. It was lovely to be able to work with the students from Wiangaree and Afterlee schools. The Year 2 and 3 students made snow globes and snow hand print. The year 4, 5 and 6 students made snow flake stain glass windows and a snowflake sun catcher. The K/1 students made snow and sang songs. At the end of the day it snowed at Wiangaree and the students got to play in the "snow". It was a fabulous way to end the term.

HOLIDAYS

I would like to take this opportunity to wish you all a safe and restful break with your families and I look forward to hearing all the holiday stories in term 3.

Happy Holidays
Kerry Flick

Weekly Awards!

Congratulations to the following students this week:-

Kiarna King for improvement in reading and great persistence
Eli Hausen for always being a reliable class member and peer buddy

P & C NEWS

Dear parents

We have an IGA BBQ scheduled for the first Sunday—19th July back next term so we will be looking for volunteers to run the BBQ from 8:30 am until about 2 pm. Please keep this date free if you can.

Have a safe and happy holiday.

Thanks,

David Hausen.

Gardening with Ann Hartigan

On Tuesday Ann Hartigan came to Rukenvale to plant some new stuff in the vegetable garden. We planted some flowers called carnations and I planted some more garlic. Garlic is good for you because it gives you a very good breath. I love garlic and I love smelling flowers. I planted some more garlic because there were four more. I love smelling flowers because they have a very good perfume.

Road safety - Your child's safety depends on you

When Walking:

Always hold your child's hand. Children need your help to spot dangers such as vehicles coming out of driveways. They can also be easily distracted and wander into traffic.

Talk with your children about Stop, Look, Listen and Think every time they cross the road.
STOP! one step back from the kerb.
LOOK! for traffic to your right left and right again.
LISTEN! for the sounds of approaching traffic.
THINK! whether it is safe to cross.
